COUNTY OF SAN DIEGO PROPOSITION 1B LOCAL STREETS AND ROADS LIST OF PROJECTS

Dear Mr. Genest:

I am pleased to provide you with the County of San Diego list of projects utilizing Proposition 1B funding. The attached documents provide all required information. I would like to point out that the County Board of Supervisors allocated the funding prior to knowledge that the state was using any of the funding to cover administrative costs. Because the final distribution is lower than what was previously approved by our Board, the appropriations in Cell number B13 is a larger amount than the allocation that you are providing.

To accommodate for the decrease in anticipated funding, the Resurfacing contract will use a smaller amount of 1B funding in its funding makeup, and other revenue sources will cover the difference of \$59,045.

If you have any questions or need more information, please contact Donna Turbyfill, Deputy Director of Management Services, at 858-505-6470.

Sincerely,

JOHN L. SNYDER
Director
